INT. CLUB

Creed drinks his gin and takes out the small pouch of diamonds watching them sparkle in the light. He smiles and then puts them back. Creed puts them in a briefcase and sees Trixy walk in.

She walks over to him and picks up the briefcase.

CREED

Do you know where this is gonna go?

TRIXY

Yes.

CREED

Send it out now and tell Franco on the other end that Knox said light em' up.

Trixy nods and walks out.

Creed takes out a cigar and smokes it blowing out the smoke. He steps to the main window seeing the people dance and grind on one another down below.

CREED

I control this city.

Trixy walks out the doors with the lights shine over her.

Donny stares down at the card.

CLOSE UP ON CARD.

Michael Henderson 555-3498

He twirls the card between his fingers while drinking a drink from the bar.

Trixy walks to the back and fades away.

Donny follows after her.

EXT. OUTSIDE THE CLUB - A MINUTE LATER

Trixy hands the briefcase to a man in Armani and slick hair named FRANCO.

TRIXY

Make sure this gets it's drop,
Franco.

FRANCO

Don't I always do that.

He leans down to try to kiss her, but she moves back hitting him in the face.

TRIXY

You know I'm off limits.

FRANCO

Nothing is off limits by thee
Franco. Not even stain glass.

TRIXY

I said no.

Franco takes the case and gets into a BMW. He blows a kiss to Trixy.

FRANCO

Knox has always been good to me and
I shall protect his investment as
usual.

TRIXY

Good because his wife says so.

Franco drives off.

INT. CLUB - SAME TIME

Trixy walks back in and dances to the groove.

Donny tries to move his way through the crowd to her, but she disappears up onto the stairs.

Donny watches her as she moves up the stairs to the main office.

Creed watches Donny from the window and spots him talking to another man.

Trixy opens the door to see Creed watching Donny with another man.

TRIXY

Who is that?

She hugs him from behind.

CREED

I don't know but it could be the
little shit that Willis was talking
about?

TRIXY

Do you think he knows?

CREED

No, I'm not sure but it's easy to see that we may have a problem but if I go down so does Willis.

TRIXY

I found out that you need stay out of prison for us.

Creed holds her hands.

CREED

Are you?

TRIXY

Yes.

CREED

Alright I will. At least I know your only after my money.

TRIXY

Was I ever?

CREED

No. You love my conquering personality.

TRIXY

Your the best Silas.

CREED

You too Roxanne.

He kisses her hand and pulls her around to him to kiss her deeply.

FLASHBACK - TWO YEARS AGO.

INT. CLUB - NIGHT

Trixy dances amongst the people in the club wearing a tight dress.

Creed smokes a cigar watching her from atop of his office. He walks down and dances upon her.

CREED

Did Zeus ever tell you that mortal women like you were the prize of the pick.

Trixy turns around and slaps him.

Creed just smirks and follows her as she goes to the bar.

TRIXY
(to bartender)
Can I get a sex on the beach!

CREED
Do you think I would ever make it
that easy for you to escape me?

She turns around glaring at him.

TRIXY
Do you think that bullshit would
make me pant for you?

CREED
You ain't gonna get no drink if I
will it.

The bartender hands the drink to Creed.

He drinks and stares at Trixy.

TRIXY
Are you always an asshole?

CREED
I grow on people, but I would love
for you to put it on me. Don't you
want to get drunk and blow some
smoke. Let's kick back.

She reaches for her drink, but Creed finishes it.

TRIXY
I don't need you.

CREED
I creep anywhere I wish.

Trixy walks away.

The bartender hands Creed another drink.

Creed taps Trixy's shoulder and hands her the drink before
walking in front of her.

CREED
That's on me and have fun in my
club.

TRIXY
Your club?

CREED
Yeah did you think I was broke?

TRIXY
No it's not that but you seemed
like an ass?

CREED
Like I said I grow on people.

He smirks and walks back up the stairs.

Trixy watches after him and smiles watching him leave.

TRIXY
He is such an ass.

Creed stops on the stairs and turns back watching her before
gesturing for her to follow him.

Trixy looks around at everyone and back to him. She walks
over to him.

TRIXY
Are you always like this with
women?

CREED
Like I said Zeus thought you were
the cream of the crop period.

She closes her eyes and laughs.

TRIXY
Your an ass.

CREED
Your getting used to the idea.

TRIXY
Maybe your just growing on me.

They walk up to the office.

END OF FLASHBACK - PRESENT TIME.

BACK TO SCENE.

Donny and Michael move to the back of the club.

MICHAEL

What did you find out?

DONNY

I found out that Knox Angel is two people.

MICHAEL

What do you mean two people?

DONNY

I've never seen Angel but it's two people.

MICHAEL

That's a problem.

Donny looks around scared.

DONNY

Look I can't say much here cause the man who owns this place sees and hears everything.

MICHAEL

Don't worry I'll try to keep you safe. I need you to come in and testify.

DONNY

I only told you because my younger brother Cage worked for that man and died. I wanted to get closer in to kill him myself.

MICHAEL

That may not be wise. Did he kill your brother?

DONNY

I don't know, but I have to always be on time for the shipments. I'm close enough to tell you that-

Before Donny could finish what he was saying, a sniper shot fires through his head making him fall.

Creed raises his glass to Trixy who drinks a glass of water.

CREED

To mistakes.

TRIXY
Really you go about that?

CREED
Someone has to toast.

Michael looks around to find the shooter no where.

MICHAEL
No no...

INSERT. OUTSIDE OF THE CLUB: MINUTES LATER

He holds onto Donny carrying him out of the club.

MICHAEL
What the fuck happened here?

BACK TO SCENE.

Michael goes back in the club looking up at Creed who watches him from atop of the room in his office.

Creed cheers to him with his drink smiling.

MICHAEL (V.O.)
Who are you?

Deryl walks in the office holding a sniper in his hand.

CREED
That was too messy Deryl.

DERYL
I could have done it outside of the club Knox Angel.

CREED
Do I look like a backdoor man to you?

DERYL
No.

CREED
Well the cop can't convict nothing without a warrant. He will have to come back for one but are the men ready to take the body away?

DERYL
We got people standing by.

CREED

Tell them to take it away. Without a body they can't convict or get a warrant.

TRIXY

It'll just make them even more suspicious.

CREED

Exactly.

TRIXY

What's in that fuckin' mind of your's?

CREED

Would you like to see later?

TRIXY

I sure would.

Deryl opens a wall to put the sniper away.

DERYL

Boss if you don't need me then I'll just go.

CREED

Sure and tell the boys to move that body.

Michael looks all around searching for the shooter but gives up trying to go back outside.

EXT. CLUB - SAME TIME

He steps out of the club to see the Donny's body gone.

MICHAEL

What's going on? Knox Angel is two people? Who is the second person?

Michael runs down the alleyway.

INT. CLUB - SAME TIME

Creed sits back down on the couch.

Trixy stands with holding her glass.

TRIXY

What are you doing Silas?

CREED

Setting up the game.

TRIXY

Is that so and where do we all fit
in this game of yours?

CREED

I'll let you see later. Come join
me in a session of figuring out my
mind.

Trixy walks over to him seductively.
